SIAL Weekly Bulletin 27 – 9th June 2023

PARENTS/CARERS' CONSULTATIONS

The end of year parents/carers consultations will be held remotely via zoom between 4pm and 6:30pm on the following days: **Monday 3th July - Tuesday 4th July** and **Wednesday 5th July (KS1 only)**.

As usual, appointments will be booked online via the meeting schedule service **Doodle**.

Booking will go live on **Friday 16th June at 12:00**, when you will receive an email with all information and the link to register your appointment, and will close on **Monday 19th June at 6:00pm**.

SIAL ART EXHIBITION & INDIVIDUAL MUSIC LESSONS CONCERT

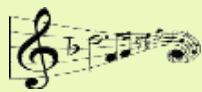

Thursday 15th June 2pm-4pm

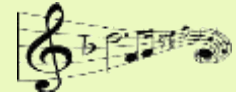

A gentle reminder that next Thursday 15th June SIAL School will open its doors to all our parents and carers for our end of the year ART EXHIBITION & INDIVIDUAL MUSIC LESSONS CONCERT.

This is a special occasion for you to enjoy and celebrate the art work that the children have produced this year and their achievements in playing an instrument.

The concert will start at 2pm in the school hall. The Reception and KS1 art exhibition will be in the ground floor classrooms at 154 HPA and everyone is welcome to visit at any time after 2pm. The KS2 art exhibition will be in the school hall and open to visitors at the end of the concert (aprox. 3:30pm).

We look forward to seeing you!

Change4life WORKSHOP – REMINDER: Wednesday 14th June @ 5:00pm

A gentle reminder for our a freeChange4Life Sugar Smart and Oral Health Parent workshop, which will take place ONLINE next Wednesday 14th June at 5:00pm.

This workshop, held by the RBKC, is for parents and carers of primary school aged children and highlights the key messages associated with sugar and its effect on oral health.

The link will be sent to you by email on Wednesday 14th June morning.

We look forward to seeing you all!

OUR SPORTS DAY

Today we had our annual Sports Day, and what an amazing day it was, also thanks to the fantastic sunshine!

Well done to all the children for their hard work participating in all the events. It was wonderful to see so many of the parents and carers there too, cheering on the children and even taking part in some races! We are already looking forward to next year's event.

OUR EYFS

PIZZA EXPRESS

This week the children in Early years ventured to Pizza Express for a food preparation session.

The children thoroughly enjoyed their time there as they were encouraged to wash hands before and after preparing foods, they observed how the chefs prepared the pizza bases before they made their individual pizzas to take away.

The fun didn't end there. We took advantage of the lovely weather and made our way to the local park where we enjoyed our Pizza lunch in the lovely sunshine before having a session in the playground 😊

Thank you Amber for coming with us, you have been super helpful!

OUR EYFS

Ritornando a scuola dopo half-term abbiamo notato che il clima sta cambiando e che l'estate si sta avvicinando sempre di più.

Uno dei cambiamenti di cui abbiamo discusso è stato la frutta che varia per ogni stagione. Così abbiamo riflettuto su quali frutti possiamo trovare tutto l'anno e quali invece ci ricordano l'estate. Abbiamo assaggiato, osservato e colorato vari frutti come la pesca, l'anguria, le fragole, la susina e molte altri, esplorandoli anche al loro interno... ha i semi o un nocciolo?

In reception this week, we have gone with the children's choice to learn all about animals and their young.

They first looked at various images of animals before discussing with each other the activities that they would like to do. The most popular was to draw the animals and their babies.

The decision on which animals to draw was also theirs to make.

The children were also encouraged to match animals to their babies.

What they already knew

The names of the adult animals and some of the young, such as:

Dog- puppy

Cat - kitten

What they learned

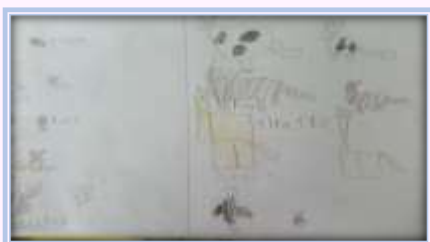

The names of baby animals such as:

Fish – fry

Deer – fawn

Horse – foal

Please enjoy looking at some of their drawings.

OUR EYFS

Il nostro percorso “scientifico” in Reception questa settimana é proseguito con la respirazione delle piante.

Partendo dalla domanda “le piante respirano?” e classificando quindi gli essere viventi, abbiamo scoperto che ciò che dà il colore verde alle foglie si chiama clorofilla.

La clorofilla, con la luce del sole e l’acqua, che viene assorbita dall’albero attraverso le radici, trasforma l’aria cattiva per noi in aria che noi possiamo respirare, l’ossigeno.

Abbiamo osservato in questo modo quanto siano importanti le piante e come le api siano indispensabili per noi e per la nostra Terra.

I bambini hanno scelto di fare un collage dell’albero con tutte le sue parti, radici, tronco e chioma aggiungendo il sole e l’acqua perché servono all’albero per vivere.

Abbiamo inoltre decorato il nostro ciliegio in classe con tante rosse ciliegie!

OUR KS1

MoneySense WORKSHOP

On Wednesday the children in KS1 participated in a workshop focusing on how we use money. The session was supported by a bank employee who was there to provide real life experience and answer the children's questions. The children enjoyed taking part in various carousel activities to understand the difference between needs and wants, and consider the different ways that a family might use money. By the end of the session the children were surprised to learn how much money having a pet can cost and the different things that they need!

Year 1 – Matematica: Quanta pizza hai mangiato?

I bambini di Year 1, costruendo delle coloratissime pizze, hanno imparato il significato di $\frac{1}{2}$.

Allison "La metà é un mezzo"

Mirta "Ho fatto la pizza poi l'ho tagliata in 2 parti che sono uguali"

Luciano "Ho fatto matematica, ho disegnato la pizza a cerchio e poi separata"

OUR KS2

Year 3 – Maths

This half-term we started a new topic, shape. This included identifying and naming angles acute, obtuse, right and reflex.

The children learnt that an angle was a turn around a fixed point between two connected lines. They learnt the unit of measurement used for angles was called degrees and which ranges matched each of the four angles listed above.

Year 3 also used their prior knowledge of 'time' clockwise, anti-clockwise, quarter past, half past, quarter to and whole to identify the turn of a given angle; enabling them to state whether, for example, an angle was a quarter turn anti-clockwise.

They finally learnt and used the rhyme 'Never, Eat, Shredded, Wheat' to add more detail about the direction of a turn; 'if the arrow starts at North and it is a three quarter turn, it can end up facing West or East depending on if it is turning clockwise or anti-clockwise.

OUR KS2

Year 4 – R.E.

La lezione di religione di questa settimana ci ha avvicinati ad una persona di forte fede: Fauja Singh.

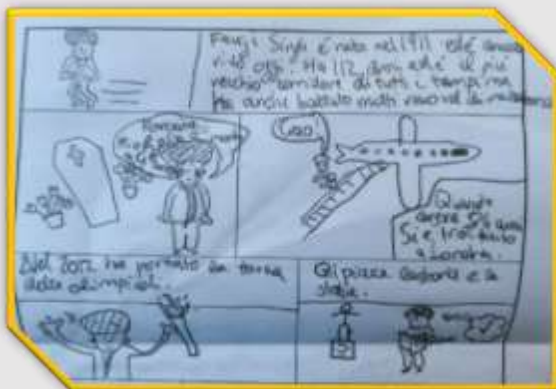

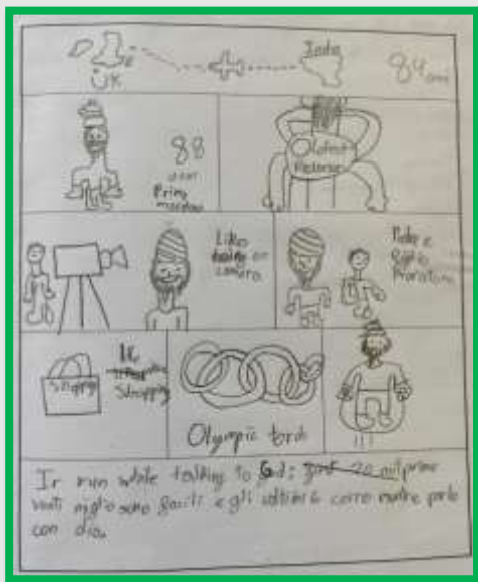

Fauja Singh, attualmente di 112 anni, britannico di origine indiana, è considerato il maratoneta più longevo al mondo. È di religione sikh e dopo aver fatto il contadino nel suo paese, negli anni 60, ha preso tutta la sua famiglia e ha deciso di trasferirsi in Inghilterra, dove vive tuttora, a Ilford, nella zona est di Londra.

La sua vita sportiva inizia tardi, non a 40 anni e neanche a 50, bensì alla simpatica età di 81 anni!

In una delle tante interviste, Fauja Singh racconta che la scelta di iniziare a correre è stata dettata dalla necessità di ritrovare la serenità, dopo la perdita della moglie e di un figlio. Da quel momento ha cominciato e non ha mai smesso di correre.

Il suo motto è: "Sorridi e continua a correre".

Assieme abbiamo ripercorso i momenti salienti della sua vita creando una pagina a stile fumetto!

OUR KS2

Year 5 – Storia

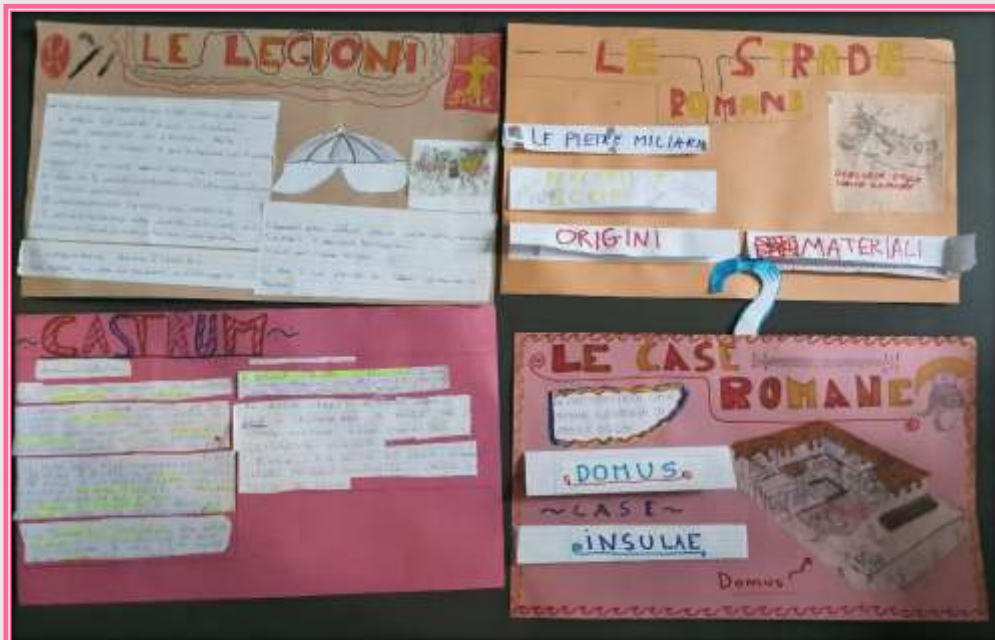

Superato il periodo monarchico e repubblicano della Roma antica, è giunto il momento di fermarsi ad approfondire alcuni argomenti di questa civiltà.

Con la metodologia del Jigsaw (volta a far convergere e congiungere tutti i saperi per ricomporre un sapere comune), i bambini, in piccoli gruppi, hanno ricercato informazioni, utilizzando supporti cartacei e digitali, relativi a:

CASTRUM ROMANO, LE LEGIONI, LE ABITAZIONI E LE STRADE

Hanno realizzato dei cartelloni curati nei minimi dettagli e ricchi di informazioni. Al termine hanno condiviso con il resto della classe, creando un quadro di civiltà completo e minuzioso.

Our School Assembly

This week's Gold Award focused on '**Being helpful**'.

Congratulations to the following children:

Nursery – Cosimo

Reception – Annamaria

Y1 – Ludovica

Y2 – Caterina

Y3 – Federico

Y4 – Elisa

Y5 – Elena

Y6 – Marta

School Lunches

Questa settimana andiamo incontro al weekend con un dolce soffice e goloso:
Pan di spagna al lampone.

For the coming week we will be on **Week 1** of our school lunch menu (*please note that any changes to this menu may be due to the specific needs of the kitchen. We try to keep alterations to a minimum, but there are circumstances which will result in changes being unavoidable. Thank you in advance for your understanding*).

DATES FOR YOUR DIARY!

Wednesday 14.06.23.

WHAT: Change4life PARENTS & CARERS WORKSHOP

WHO: All parents/carers

WHEN: 5:00pm-6:00pm

WHERE: Online via Zoom

Thursday 15.06.23.

WHAT: ART EXHIBITION & INDIVIDUAL MUSIC LESSONS CONCERT

WHO: All parents/carers

WHEN: 2:00pm-3:30pm

WHERE: School

Friday 23.6.23.

WHAT: SUMMER FAIR + PA aperitif

WHO: All SIAL community

WHEN: 2:00pm-6:00pm

WHERE: Holland Park

Friday 30.6.22.

WHAT: WHOLE SCHOOL PERFORMANCE

WHO: All parents/carers

WHEN: 10:00am-11:30am

WHERE: SIAL school hall

Monday 3.7.23. to Wednesday 5.7.23.

WHAT: PARENTS & CARERS' CONSULTATIONS

WHO: All SIAL's parents/carers

WHEN: 4:00pm – 7:00pm

WHERE: Remotely via Zoom

Thursday 6.7.23.

WHAT: LAST DAY OF THIS ACADEMIC YEAR

WHEN: 12:00noon

WHO: Whole school
